

The **Think Like It's 1620** Challenge

Take the pledge!

To prepare for the 400th anniversary of the Pilgrims arriving on Cape Cod, we are cleaning up the Cape. Our goal is to return the land & sea to the pristine condition it was in when the Pilgrims arrived.

Pledge to:

- ✓ Donate **\$16.20/month** for 1 year (\$194.40 total) to Take Care Cape Cod. Donations will be put towards funding a water bottle filling station at the Pilgrim Monument in Provincetown, and may be used on other projects Cape-wide.
- ✓ Clean up your community for **16 minutes & 20 seconds/month** for 1 year (3 hours & 16 minutes total). You can track your progress using the Clean Swell app from the Ocean Conservancy. Use the team name **Take Care Cape Cod** and forward us your confirmation email from your clean ups.

There will be prizes and fun throughout the year for those who take the pledge and complete it!
