

CARE for the Cape & Islands Day 2021

On Thursday, October 21, 2021 we will be hosting the 7th CARE for the Cape & Islands Day to be held at the Chatham Drama Guild. Volunteers are invited to spend the morning to help with beautification and preservation measures on the grounds and within the theater complex.

We are seeking the support of local businesses to help make this a meaningful day for the Center, the community and for all of those who donate their time. We would like to invite you to be a part of this event through a sponsorship.

About Chatham Drama Guild

The Chatham Drama Guild is the Cape's second oldest continuously operating theater venue that is operated completely by volunteers. For over 80 years it has provided excellent family entertainment in a flexible and exciting theater space.

About CARE for the Cape Day

It is our goal to inspire residents and the business community to become stewards of the home we love, Cape Cod and the Islands. At the event all attendees will participate in a hands on give back activity and learn more about Chatham Drama Guild's place in history. The event is a great way to network with other volunteers from the community and recipients of CARE grants. 2021 CARE grants will be presented as part of the event. The event will run approximately 8:30AM-1:00PM.
